

Getting The Most Out Of Your DRAFO® SPORT Ankle Brace

OVERVIEW

The DRAFO® SPORT is the newest and most innovative ankle brace in the Orthotic industry. This low profile, lightweight, waterproof design provides superior medial-lateral support without restricting mobility.

The DRAFO® SPORT is a comfortable, easy-to-use brace that holds the ankle in a biomechanical neutral alignment, limiting the chances of inversion or eversion incidents. The DRAFO® SPORT's unique laminated design focuses on supporting and protecting the most crucial part of the ankle—the subtalar joint. The total contact, hydrostatic closure allows for maximum safe movement while simultaneously preventing new or recurring injuries.

The DRAFO® SPORT is a great choice for treating and preventing ankle injury and ankle instability during athletics and physical training while offering an increased level of comfort and performance in ankle bracing. When using the DRAFO® SPORT, athletes will enjoy the ease and efficiency of this popular replacement to traditional taping methods and basic ankle support orthoses.

USE AND CARE

Shoes and Socks Required

Designed with a low profile, the DRAFO Sport fits inside most shoes. Wear clean cotton socks, covering all the skin in contact with the brace.

Cleaning

Wipe your brace with a damp cloth/mild soap. Dry completely with a towel or allow to air dry at room temperature. DO NOT use washers and dryers.

DETERMINING YOUR SIZE

When fit correctly, the DRAFO Sport will provide unparalleled support, protection and comfort.

Find your correct size by first measuring your instep circumference. Match your shoe size and instep circumference to the size chart. If you fall between sizes always go to the smaller size.

Example:

Shoe size = Men's 9

Instep = 12"

Choose brace size 3

Take instep circumference measurement with ankle at 90°

Similar to a new pair of shoes, a correctly fit sports brace may seem slightly uncomfortable or "different" at first.

DRAFO® SPORT SIZING CHART

	Instep Circumference	Mens Shoe Size	Womens Shoe Size
Size 2	10 1/2" to 11 1/2"	6	7 1/2
		6 1/2	8
		7	8 1/2
Size 3	11 1/2" to 12 1/2"	7 1/2	9
		8	9 1/2
		8 1/2	10
		9	10 1/2
Size 4	12 1/2" to 13 1/2"	9 1/2	11
		10	
		10 1/2	
Size 5	13 1/2" to 14 1/2"	11	
		11 1/2	
		12	
		12 1/2	
		13

WARRANTY

Bracemasters International, LLC

DRAFO DRG LT PF
Manufacturers Warranty

All Bracemasters International, LLC pre-fabricated products are 100% guaranteed for materials, workmanship, fit and function for ninety days from beginning of use. During that time, at our discretion, Bracemasters will repair or replace the product as necessary if a failure occurs during normal use, including physical training and athletic events.

Abuse or undue rough wear voids the warranty. This may be caused by not wearing a shoe over the brace, exposure to extreme heat or cold, destruction from impact or abrasion beyond normal athletic wear and tear.
